

## HOW TO PLAY

# RAPID ROULETTE & BACCARAT

**Rapid gaming allows you to wager on Roulette or Baccarat at the convenience of your own terminal.**

### HOW TO PLAY

The terminal accepts New Zealand currency notes and slot machine tickets. The terminals are connected to live gaming with a dealer spinning the ball for Roulette and dealing the cards for Baccarat.

On the display choose which game you wish to play and nominate the value of chip you wish to bet. Begin betting once the "Place Your Bets" message is displayed on the screen. You will have a limited amount of time to place your bets. "No More Bets" message will appear once time is up.

Press "collect" when you have finished playing and receive a pay-out ticket. This can be cashed at the cash desk or redeemed at another terminal or slot machine.

If you do not know how to play either game, please check out the learn to play brochure for the game or ask a staff member for advice.

AS WITH ANY OF OUR TABLE GAMES, IF YOU ARE NOT SURE,  
JUST ASK ONE OF OUR FRIENDLY GAMING STAFF FOR ASSISTANCE.
